

## Epilepsy & Seizure First Aid Presentation Booking Request Form

Epilepsy Southwestern Ontario provides free epilepsy and seizure first aid presentations to members of the community and healthcare organizations. Presentations range from general knowledge to epilepsy care and management; all presentations include seizure identification, epilepsy information and seizure first aid. Educational videos and PowerPoint format are used, as well as, resource materials for each group. Presentations range from 45 – 60 minutes based on time allotted. All presentations require access to computer, speakers and data projector.
