

Grade 5 Thinking About Epilepsy® Presentation

Epilepsy Southwestern Ontario offers *Thinking About Epilepsy*, a FREE 45-minute interactive classroom presentation. Designed to increase knowledge about seizures and decrease stigma, this presentation meets specific expectations of the Grade 5 Ontario Public School Curriculum. The facilitator uses props, EEGs, the *Famous People Game*, video clips and an interactive demonstration to reinforce specific expectations.

Grade 5 Health

Healthy Living Expectations

- Demonstrate responsibility for their own safety & the safety of others as they participate in physical activities.
- Responsibilities, risks – care for self and others, safety practices.

Grade 5 Science
