

Multimedia (Web and Graphic) Designer Job Posting

The mission of Epilepsy Southwestern Ontario is to enhance the lives of people who are affected by epilepsy and seizure disorders by providing a network of services that educate, support, and build community awareness.

We are currently seeking a Multimedia (Web and Graphic) Designer to join our team. This is a full time (37.5 hours/week) 1 year contract position working both in the office and remotely each week. The Multimedia Designer will be responsible for maintaining agency websites; designing, and producing a variety of marketing materials (print, online, audio, video), while adhering to agency branding standards. The Multimedia Designer will be responsible for supporting the coordination and facilitation of agency special events and awareness events, and management of agency social media platforms and online merchandise inventory and sales.

Qualifications

- Post-secondary education in Web Design and/or Graphic Design
- Three years of multimedia design experience
- Knowledge and experience with HTML, Adobe Suite (Photoshop, Illustrator, InDesign, After Effects, Premiere) and Microsoft Office
- Experience creating and editing videos
- Strong project management, organization and time-management skills
- Attention to detail and quality
- Willingness to travel as needed to perform job duties
- Ability to work flexible hours including evenings and weekends as necessary for events

Interested candidates are asked to forward cover letter (including salary expectation), résumé and portfolio by 4:00pm Friday, August 5, 2022, to michelle@epilepsyswo.ca.

We appreciate all applications, but only candidates selected for an interview will be contacted.
